June Update: Tournament Season at Twin Hills

As we transition into June, the greens crew is shifting gears to prepare our championship course for the height of the competitive season. With soil temperatures optimal and the growing season in full effect, our primary focus is achieving tournament-ready conditions for our premier June events.

June Maintenance & Groundskeeping Projects

- Tournament Conditioning: In preparation for the 2-Lady Scramble (The Lady Classic) on June 2nd and the Show Me Classic (SMC) from June 12th–14th, we are implementing a specialized mowing and rolling schedule. This ensures the greens are firm, fast, and consistent for our competitors.
- SMC Preparations: Please note that the entire course and all practice facilities will be closed on Thursday, June 11th. This allows our team a full, uninterrupted day to detail bunkers, finalize pin placements, and ensure every inch of the property is pristine for the SMC kickoff.
- Vertical Mowing & Topdressing: To maintain smooth putting surfaces during the heat of June, we will perform light vertical mowing and "dusting" with sand. This process manages thatch buildup and promotes upright grass growth without disrupting daily play.
- Landscape Grooming: Our team is working hard to maintain the vibrant floral displays around the Clubhouse and patio, ensuring a beautiful backdrop for the SMC Gala.
-

Member Reminders for June

- Course Closures: Please keep the June 2nd (morning) and June 11th (all day) closures in mind when scheduling your practice rounds.
- Cart Path Etiquette: To preserve the turf for our major tournaments, please follow all directional signage and keep carts on the paths near tees and greens.
- Fix Your Divots: With high traffic during tournament month, your help in repairing ball marks and replacing divots is essential to keeping our course at a championship level.

We look forward to seeing you on the course for an incredible month of golf!
